## Introduction

Welcome to the standard Selection Questionnaire.

To apply for a public sector contract opportunity (as defined by the Public Contracts Regulations 2015), organisations must complete a standard Selection Questionnaire.

The Selection Questionnaire enables you to make a self-declaration, on behalf of your organisation, in the following areas:

- Part 1 - your organisation and proposed bidding model
- Part 2 - grounds for exclusion from procurement procedures
- Part 3 - financial standing and technical capacity

When you have completed this Selection Questionnaire, it can be shared with the relevant contracting authority to apply for a contract opportunity.

### ► Download the Selection Questionnaire questions

You can download and review the Selection Questionnaire before completing. Until you choose to submit the Selection Questionnaire, you can edit your answers at any time.

[Download the Selection Questionnaire](#)

### ► Creating a Selection Questionnaire template

You can create a template Selection Questionnaire, to edit and share with contracting authorities at a later date. When creating a template, you should save and exit the Selection Questionnaire instead of choosing to submit your answers.

### ► About the Supplier Registration Service

The Supplier Registration Service is the government platform for suppliers to register and complete standard Selection Questionnaires. Your account on the Supplier Registration Service is linked to [Contracts Finder](#) and [Find a Tender](#), where you can search for public sector contract opportunities.

Do you want to re-use answers from an existing Selection Questionnaire?

### Guidance

Self-cleaning evaluation guidance

If you declare any convictions you must demonstrate to our satisfaction that you have taken effective remedial action. In order for the evidence provided to be sufficient it must, as a minimum, prove that you have 'self-cleaned' as follows:

- paid or undertaken to pay compensation in respect of any damage caused by the criminal offence or misconduct;
- clarified the facts and circumstances in a comprehensive manner by actively collaborating with the investigating authorities; and
- taken concrete technical, organisational and personnel measures that are appropriate to prevent further criminal offences or misconduct.

The actions agreed on Deferred Prosecution Agreements (DPAs) may be submitted as evidence of self-cleaning and evaluated by us as described below.

The measures taken will be evaluated taking into account the gravity and particular circumstances of the criminal offence or misconduct. If we consider such evidence as sufficient, you will continue in the procurement process. Our decision will be final.

If you cannot provide evidence of 'self-cleaning' that is acceptable to us, we will exclude the submitted bid from the competition. We will tell the bidder if they are excluded and say why.

### Public and Private Sector Contracts

A reporting period is a period of six calendar months as set out in the BEIS Guidance to Reporting Payment Practices and Performance under the Reporting on Payment Practices and Performance Regulations 2007:

<https://www.gov.uk/government/publications/business-payment-practices-and-performance-reporting-requirements>.

In a financial year there are normally two reporting periods. The first is the six calendar months starting on the first day of the business' financial year. So, if a financial year started on the 5th of a month, the last day of that reporting period would be the 4th of the month, six months later. The second reporting period starts on the day after the first period ends and runs until the end of the financial year.

Please provide the percentage of invoices paid by you to those in your immediate supply chain on all contracts for the most recent six month reporting period. This should include the percentage of invoices paid within each of the following categories (this should include all situations where payments are due; not all payments involve an invoice):

**3.17.4.** within 30 days

**3.17.5.** between 31 and 60 days

**3.17.6.** in 61 days or more

**3.17.7.** due but not paid by the last date for payment under agreed contractual terms

**3.17.8.** Please provide the average number of days taken by you to pay an invoice to those in your immediate supply chain on all contracts for the most recent six month reporting period. This should include the percentage of invoices paid within each of the following categories (this should include all situations where payments are due; not all payments involve an invoice).

## Payments

Please provide the percentage of invoices paid by you to those in your immediate supply chain on all contracts for the prior six month reporting period. This should include the percentage of invoices paid within each of the following categories (this should include all situations where payments are due; not all payments involve an invoice):

**3.17.9.** within 30 days

**3.17.10.** between 31 and 60 days

**3.17.11.** in 61 days or more

**3.17.12.** due but not paid by the last date for payment under agreed contractual terms

**3.17.13.** Please provide the average number of days taken by you to pay an invoice to those in your immediate supply chain on all contracts for the prior six month reporting period. This should include the percentage of invoices paid within each of the following categories (this should include all situations where payments are due; not all payments involve an invoice).

**3.17.14.** It is acceptable to cross refer to information that has previously been submitted to Government or other bodies or is publicly available (provided it covers the required reporting periods), including data published in accordance with the Reporting on Payment Practices and Performance Regulations 2017.

If you do wish to cross refer, please provide details and/or insert link(s).

**3.17.15.** If you are unable to demonstrate that all invoices have been paid within the agreed contractual terms, please explain why.

**3.17.16.** If you are unable to demonstrate that 95% or more of invoices payable to your supply chain on all contracts have been paid within 60 days of the receipt of the invoice in at least one of the last two six months reporting periods but you can evidence that  $\geq 90\% < 95\%$  of all supply chain invoices were paid within 60 days of receipt of the invoice in at least one of the two previous six month reporting periods after removing intercompany payments (if relevant) AND your average payments days are 55 days or less in the SAME reporting period, please provide an action plan for improvement which includes (as a minimum) the following:

Identification of the primary causes of failure to pay:  
95% of all supply chain invoices within 60 days; and  
if relevant under question 3.17.1, all invoices within agreed terms.

Actions to address each of these causes.

A mechanism for and commitment to regular reporting on progress to the bidder's audit committee (or equivalent).

A plan signed off by your director

Plan published on its website (this can be a shorter, summary plan).

If you have an existing action plan prepared for a different purpose, it is acceptable to attach this but it should contain the above features

Note: if you have indicated 'no' at question 3.17.1 your action plan must also address steps taken to address your payment within agreed terms in order to achieve a 'pass'.

Note: You are only permitted to provide an action plan if you can evidence payment of  $\geq 90\% < 95\%$  of invoices payable to your supply chain within 60 days of receipt of the invoice in at least one of the last two six month reporting periods AND can evidence that the average number of days taken by you to pay an invoice is 55 days or less for the same reporting period. ## Carbon Reduction

Public procurement of contracts with an annual contract value above £5,000,000.00 should take into account suppliers' carbon reduction plans and commitment to Net Zero by 2050. This Policy is set out in detail in [Procurement Policy Note 06/21](#)

The requirement is that you will have in place and provide a link to your Carbon Reduction Plan published to your website (using the template provided within the PPN) confirming your commitment to achieving Net Zero by 2050 in the UK, and setting out the environmental management measures that you have in place and which will be in effect and utilised during the performance of the contract.

\*If you are a new supplier and have been trading for less than 12 months, you must still confirm your commitment to achieving Net Zero by 2050 by publishing a full Carbon Reduction Plan (CRP) as soon as possible.

\*If you do not have a website where you can evidence a published Carbon Reduction Plan containing the minimum required information as per the PPN guidance, you must provide an electronic copy of your Carbon Reduction Plan to CCS containing the minimum required information [Guidance on adopting and applying the PPN 06/21](#)
