Welcome

We are inviting agencies to join a Dynamic Purchasing System (DPS) to provide creative services, communications, marketing, recruitment marketing and events services required for the RM6124 Communications Marketplace DPS.

The new Communications Marketplace will replace the Communication Services agreement. In a similar way as before, the Marketplace will allow for standalone, direct relationships with agencies to provide a wide range of marketing and communications services. The benefit is that agencies go through a much simpler process than before to become a registered agency to work with us. Agencies can also join at any point throughout the duration of this agreement.

The Communications Marketplace will complement the Campaign Solutions RM6125 Framework which will continue to be an agreement that will facilitate longer term, strategic relationships providing end-to-end campaign solutions.

What is a Dynamic Purchasing System (DPS)?

A DPS is a public sector sourcing tool for common goods and services under regulation 34 (Dynamic Purchasing Systems) of the [PCR 2015](#). You can apply to join at any point throughout the duration of the agreement.

Make sure you read all the guidance, information and instructions that we provide – they are there to help you to complete your request to participate.

We hope everything is clear – if it is not, we explain in the 'how to request to participate' section, when and how you can ask questions.

What 'we' and 'you' means

When we use "CCS", "we", "us" or "our" we mean Crown Commercial Service.

When we use "you", "your" or "Agencies" we mean your organisation, or the organisation you represent, in this competition.

We are the central purchasing body that procures common goods and services for Clients including central government departments and the wider public sector.

The Public Contracts Regulations 2015 regulate how we procure. This means that we and you have to follow processes that are fair, transparent and equitable for all Agencies.

Who can request to participate?

We are running this competition using the 'restricted procedure'. This means that anyone can submit a request to participate in response to the published contract notice.

You can submit a request to participate as a single legal entity. Alternatively, you can work together with other legal entities to form a Group of Economic Operators (Consortium) (also known as a 'Consortium'). If you do, we ask the Group of Economic Operators (Consortium) to choose a lead member who will submit the registration application on behalf of the Group of Economic Operators (Consortium) and you will have to identify what each of the parties is contributing to the registration application. You can do this in **Your Request to Participate**.

We recognise that arrangements in relation to Subcontracting and Groups of Economic Operators (Consortium) may be subject to future change, and may not be finalised until a later date. However, any changes to those arrangements may affect your ability to deliver the Communications Marketplace requirements, you must therefore tell us

about any changes to the proposed Subcontracting or to the Group of Economic Operators (Consortium). If you do not, you may be excluded from participating in this competition.

We do not require all Subcontractors to be disclosed. You need only disclose those Subcontractors who directly contribute to your ability to meet your obligations under the DPS Appointment Form (including under any Contract Agreement following a Competition Procedure). There is no need to specify Subcontractors providing general services to the Agency (such as window cleaners etc.) that indirectly enable the Agency to perform the DPS Appointment Form. Please read the definition of Subcontractor in the DPS Appointment Form.

If you are successfully appointed to the DPS and are awarded a Communications Marketplace DPS Appointment, any changes to arrangements in relation to Subcontracting and Group of Economic Operators (Consortium) arrangements which are made following the award will be dealt with in accordance with DPS Schedule 6 (Key Subcontractors of the DPS Appointment Form).

When you have completed the SQ you need to select either 'Save and Continue' at the end of the questionnaire, or, you can select 'Save and view answers' to review your responses, allowing you to make any changes prior to submitting the SQ, once done this will direct you to the DPSQ.

Please note – you CANNOT amend your responses to any of the standard Selection Questionnaire responses once you have progressed on to the DPSQ.

9. Following submission of your SQ you will be placed in to the 'Assessing' stage.
10. We may seek clarification of any information you provide to validate and verify your responses. Don't forget to check for messages regularly at frequent intervals in your internal mailbox system (this will be the email address you input into Q115 of the DPSQ) throughout the competition.
11. If we are satisfied with the response you have provided to the compliance issues we have raised, you will be appointed to the DPS. Following which, we will amend your DPS submission from 'Assessing' to 'Agreeing' status.
12. Once we complete the Assessing process, you will be contacted to say that your submission has entered an 'Agreeing' stage – this means you will need to re-enter the submission on SRS and agree to the DPS Appointment Form electronically – once you have completed this your status will show as 'Appointed'.

Assessing Process:

13. Your submission will be set to 'Assessing' status. Following which we will complete further compliance checks of your SQ to ensure you have provided everything that we have requested as part of the selection criteria.
14. We may seek clarification of any information you provide to validate and verify your responses. Don't forget to check for messages regularly at frequent intervals in your internal mailbox system (this will be the email address you input to Q115 of the DPSQ (contact details)) throughout the competition.

If you are happy to progress, you then check the 'I agree' box and click on the orange highlighted 'Join DPS' link. This will now change your status to 'Appointed'.

Confirm DPS Agreement

You have successfully completed the SQ for Passenger Transport Solutions DPS. The DPS agreement will be electronically signed and managed by Crown Commercial Service (CCS) and you.

Final sign off to ensure a legally binding DPS agreement between CCS and you is complete by you ticking your acceptance in the below box.

By ticking, you are confirming that you comply with the following agreements and documentation, which you should download and retain:

- [DPS Agreement](#) (which includes provision of Management Information and Payment of management Levy)
- [Privacy Statement](#)
- [Selection Question Answers](#)
- [DPS Answers](#)
- [DPS Bid Pack](#) (which includes the DPS Needs and Customer Needs documents)

If you are electronically signing the DPS Agreement for the RM6121 Passenger Transport Solutions DPS as the lead contact for a Group of Economic Operators (consortia) your electronic signature will be the signature that represents all members of the consortia as detailed within your submission for this DPS.

Once you have ticked your agreement to the covenants above you will be formally 'Appointed' to the DPS for Passenger Transport Solutions.

Failure to tick your agreement at this stage will prevent you from securing your appointment on to the DPS for Passenger Transport Solutions, as there will be no legally binding DPS agreement between CCS and you.

37. In the event that the issue cannot be rectified within the fifteen (15) working days, we will 'reject' your DPS submission as an interim measure whilst the necessary further actions are undertaken. You can then reapply to join the DPS within a timescale specified by us via the SRS platform.

are signing the DPS Appointment Form electronically on behalf of all the consortium members.

45. We will tell you if your registration application has been rejected or if your organisation has been excluded at the Selection Stage via the DPS Mailbox.

Grounds for Exclusion

46. In certain circumstances CCS is required by law to exclude Agencies from participating if you cannot answer ‘No’ to every statement in Part 2 (Mandatory

grounds for Exclusion) of the Selection Questionnaire. Your request to participate shall then be excluded from further participation in the SQ (except where disproportionately small amounts of tax or social security obligations are involved).

47. CCS is entitled (in its sole discretion) to exclude an Agency from further participation if any of the statements in response to Part 2 (Discretionary grounds for exclusion) of the Selection Questionnaire apply. If you cannot answer 'No' to every statement it is possible that you will be excluded from this request to participate.

'Self Cleaning' (Covering both mandatory and discretionary exclusion):

48. If you provide sufficient evidence that remedial action has taken place subsequently that effectively "self cleans" the situation, we may decide that you shall not be excluded from this request to participate. As a minimum, you will have to demonstrate that you have:
- (a) paid or undertaken to pay compensation in respect of any damage caused by any criminal offence or misconduct;
 - (b) clarified the facts and circumstances in a comprehensive manner by actively collaborating with the investigating authorities; and
 - (c) taken concrete technical, organisational and personnel measures that are appropriate to prevent further criminal offences or misconduct.
49. The measures you have taken will be considered taking into account the gravity and particular circumstances of the criminal offence or misconduct.
50. The detailed grounds for mandatory and discretionary exclusion of an organisation are set out on this [webpage](#), **which should be referred to before** completing these questions in the SQ.

Economic and Financial Standing

51. We will undertake an assessment of your economic and financial standing using the DUNS number (as provided by Dun and Bradstreet) for your organisation which you input when registering on the SRS registration system at the following link:

<https://supplierregistration.cabinetoffice.gov.uk/organisation/register>

52. If you indicate as part of the standard SQ that a financial guarantor will be provided, as you do not initially meet the required credit reference Agency score as described in paragraph 53 below, we will perform an assessment of the proposed financial guarantor's economic and financial standing.
53. The report provided by the credit reference Agency (Dun and Bradstreet) will be used to determine the level of financial risk you represent. If the score provided by the credit reference Agency is forty five (45) or more, then your Request to participate will continue to proceed in the DPS Selection process.
54. If any of the following circumstances arise:
- a. the score provided by the credit reference Agency is less than 45 and/or;

- b. no standard credit reference Agency score is available for your organisation,
 - c. then we may ask you to provide a copy of your audited accounts for the most recent two (2) years and/or one (1) or more of the following in respect of your organisation or the proposed financial guarantor (as the case may be):
 - a statement of your turnover, profit and loss account/income statement, balance sheet/statement of financial position and statement of cash flow for the most recent year of trading;
 - a statement of your cash flow forecast for the current year and a bank letter outlining the current cash and credit position; and/or
 - an alternative means of demonstrating financial status.
55. We will use this information as detailed in paragraph 53(c) above, in addition to a detailed credit reference Agency report (where available) to assess whether your organisation's or your proposed financial guarantor's financial risk is acceptable. This will be performed using our financial assessment template that can be viewed at Attachment 3 – Financial Assessment Template of the insert RM6124 participation bid pack, which covers a range of financial risk indicators.
56. If we then determine that the financial risk is acceptable, then your request to participate will continue to proceed through the DPS Selection Stage process.
57. If we determine that your financial risk is determined as being unacceptable, then we may (in our sole discretion) request that you nominate a financial guarantor. If you nominate a financial guarantor, a financial assessment will be undertaken of your nominated guarantor. In the event that your nominated guarantor fails to meet the required financial threshold score of 45, we will undertake the steps as detailed at paragraph 53(c) above in respect of the proposed financial guarantor.
58. If, after evaluating all the information requested and provided, the level of financial risk is still deemed unacceptable, or where the requested information has not been provided, **then you will be rejected as an interim measure from further involvement in the Communications Marketplace, until you are able to provide the required financial information.**
59. If you are registering as Lead Contact for a Group of Economic Operators (Consortium), the assessment of economic and financial standing will be carried out in respect of each member of the Group of Economic Operators (Consortium). If one (1) or more members of the Group of Economic Operators (Consortium) is determined as having an unacceptable risk level following this assessment, then the relevant member(s) will be required to obtain a financial guarantee. We will undertake the steps as detailed above in respect of the proposed financial guarantor. If a financial guarantor cannot be provided and the level of financial risk remains unacceptable, then the Group of Economic

Operators (Consortium) will be excluded from further involvement in this Communications Marketplace registration.

Suppliers Approach to Payment

60. In order to comply with Procurement Policy Notice (PPN) 04/19 on Agencies approach to payment in the procurement of major contracts, a set of questions have been devised that Agencies must respond to.

61. This PPN applies to Agencies who will be using a supply chain to deliver the Services for the Communications Marketplace DPS.

62. Question 60 of the DPSQ asks if Agencies intend to use a supply chain for this DPS contract. If you respond 'No' to this question, you can progress to Question 73 of the DPSQ, as this section does not apply to your organisation.

If you respond 'Yes' to this question you will be required to complete Questions 61 to 72 as applicable.

63. Question 67 asks Agencies to select the appropriate radio button to confirm one of the following responses;

- i) 95% or above of supply chain invoices are paid in sixty (60) days; ii) 75%-95% of all supply chain invoices are paid in sixty (60) days; or iii) 75% or less of all supply chain invoices are paid in sixty (60) days.

64. If you select that 95% and above of supply chain invoices are paid in sixty (60) days you will be required to complete Question 68 to breakdown this percentage and in addition Question 72 relating to the Group of Economic Operators (Consortium).

65. If you respond that 75%-95% of supply chain invoices are paid in sixty (60) days you will be required to complete Question 69 to breakdown this percentage and Question 70 in accordance with the guidance provided, you will also be required to complete Question 71 and submit an action plan which sets out the following;

- Identification of the primary causes of failure to pay: • 95% of all supply chain invoices within sixty (60) day; and • (if relevant) all supply chain invoices within agreed terms.
- Actions to address each of these causes'
- Regular reporting on progress to the bidders audit committee (or equivalent)
- Plan signed off by a director
- Plan published on its website (this can be a shorter, summary plan).

66. CCS will evaluate the submitted action plan, and if the response is deemed as acceptable, you will PASS this question.

67. If no action plan is uploaded or is uploaded but does not include all of the requirements set out in paragraph 64 above, then the response to this question

will be deemed as a FAIL, and you will be excluded as an interim measure from continuing with your DPS submission until you are able to provide the required information.

68. If you respond that less than 75% of all supply chain invoices are paid in sixty (60) days, then your payment performance falls substantially below the required standard and the response to this question will be deemed as a FAIL, and you will be excluded as an interim measure from continuing with your DPS submission until you are able to provide the required information.

Cyber Essentials Certification

69. You are required to confirm as part of your DPS submission, that you have Cyber Essentials basic certification in place, as a minimum, at Question 155 of the SQ. If you have Cyber Essentials Plus you can select this option at Question 156 of the SQ. A 'Yes' response to either of these questions is acceptable.
70. If you select 'No' to Question 155 of the SQ and confirm this response at Question 5 of the DPSQ by selecting 'Yes' that you do not hold a valid Cyber Essentials basic certificate this will be classed as a 'Fail' and your application will be rejected until you have a valid Cyber Essentials basic certificate.
71. You are required to comply with DPS Schedule 9 (Cyber Essentials) for the life time of your appointment to this DPS. In the event that you fail to comply with DPS Schedule 9 (Cyber Essentials) as applicable, CCS reserves the right to terminate your Contract for material Default.

Certificates

72. Once you are **Appointed only** to the DPS, you will be required to provide copies of your certificates for both Insurances and Cyber Essentials 7–14 days after appointment in accordance with the Terms and Conditions.

In addition, you may be required, following appointment to the DPS, to provide copies of any other relevant certificates as specified as part of your DPS submission.

Selection Questionnaire – Not Applicable questions:

73. There are questions in the Selection Questionnaire that are not applicable for the Communications Marketplace, therefore please note, a response is **NOT** required to the questions as detailed below:

- *Part 1: (Contract Example 1) – Q133*
- *Part 1: (Contract Example 2) – Q134*
- *Part 1: (Contract Example 3) – Q135*

What is a Dynamic Purchasing System (DPS) Appointment Form?

74. A DPS Appointment Form sets out terms and conditions for you satisfying the selection criteria and therefore accepted onto the DPS and for Clients when awarding contracts (Competition Procedure) throughout the entire duration of the DPS.
75. If you are successful at being appointed as an Agency on the DPS, the DPS Appointment Form will be signed up to electronically and managed by you and us. Clients can then use the DPS to publish competitions to meet their individual service requirements. Each Competition Procedure contract will be signed and managed by the Client and you. There may be multiple contract agreements under one (1) DPS Appointment Form.
76. There are general terms and conditions for the DPS Appointment Form. DPS DPS Schedule 7 (Order Procedure) sets out the general terms and conditions for the Competition Procedure. You can see the contract terms as part of the bid pack for this DPS.

Timelines for the request to participate

77. These are our intended timelines. We will try to achieve these but, for a range of reasons, dates can change as the competition progresses. We will tell you if and when timelines change:

Submission of the Contract Notice - notifying Agencies	05/08/2021
Start Date - Open DPS to Agencies to request to participate	05/08/2021
DPS Open to Clients requirements and Competition Procedure	06/09/2021

When and how to ask questions?

78. If you have any questions you need to ask them as soon as possible after the publication of the Contract Notice. This will give you the chance to check that you understand everything before you submit your request to participate via the link detailed above.
79. You need to send your questions through the DPS Marketplace clarification link. Try to ensure your question(s) is specific and clear.
80. The DPS Marketplace clarification facility captures responses to all questions in relation to this DPS. Please note it is your responsibility to monitor responses to clarification questions therefore please ensure that you access and review the DPS clarification link on a regular basis. This will ensure you have sight of all relevant information.
81. If you feel that a particular question should not be published, you must tell us why when you ask the question. We will decide whether or not to publish the

question and response or return a response to you confidentially via the DPS Mailbox address info@crowncommercial.gov.uk

82. Remember that you can ask us questions about the DPS Appointment Form and contract terms but please do not try to 'negotiate' the terms as this is not permitted within the Public Contract Regulations (PCR). All DPS appointments will be made under identical terms.

Making the competition work

83. We run our competitions so that they are fair and transparent for all Agencies. This section (Making the competition work) sets out the conditions of participation for this competition. It needs to be read together with the DPS Appointment Form and with the Buyer Needs.

What you can expect from us:

84. We will not share any information from your submission with third parties, apart from other central government bodies (and their related bodies), which you have identified as being confidential or commercially sensitive. However, we may share this information but only in line with the Regulations, the Freedom of Information Act 2000 (FOIA) or any other law as applicable.

What we expect from you:

85. Make sure you have read and understood the request to participate and the corresponding bid pack before you complete the Selection Questionnaire.
86. Please make sure you have read through all the information available to you. This includes any of the responses provided by us to any of your questions raised.
87. You must comply with the rules in this bid pack and any other instructions given by us. You must also ensure (where applicable) members of your Group of Economic Operators (Consortium) or Subcontractors comply also.
88. You have not fixed or adjusted any element of the response by agreement or arrangement with any other person.
89. You have only selected the filters for the Services that your organisation can deliver.

Involvement in multiple registrations

90. If you are connected with another registration application for this registration application, we may make further enquiries. For example, where:
- you submit a registration application in your own name or as member of a Group of Economic Operators (Consortium) connected with a separate registration application; or
 - you submit a registration application in your own name which is similar to a separate registration application from another Agency within your group of companies.
91. This is so we can be sure that your involvement does not cause:
- potential or actual conflicts of interest;

- Agency capacity problems; or
- restrictions or distortions in competition.

We may require you to amend or withdraw all or part of your request to participate if, in our reasonable opinion, any of the above issues have arisen or may arise.

Contracting Arrangements

92. Only you, your nominated Subcontractors or Group of Economic Operators (Consortium) (as set out in your SQ) can provide Services through the DPS.

Contracting Arrangements for Group of Economic Operators (Consortium)

93. We may require a Group of Economic Operators (Consortium) to form a specific legal entity when signing a DPS Appointment Form as per the PCR. In this instance a member of the Group of Economic Operators (Consortium) will electronically sign the DPS Appointment Form on behalf of the legal entity.
94. If you are the lead member of a Group of Economic Operators (Consortium) and have therefore selected 'Yes' to question 19 in the Selection Questionnaire (Are you registering as the lead contact for a group of Economic Operators (Consortium))? You are required to complete 'Attachment 5 – Group of Economic Operators (Consortium)' in the bid pack providing the required information for each member of your group of Economic Operators (Consortium) and sending your Attachment 5 – Group of Economic Operators (Consortium) to info@crowncommercial.gov.uk
95. We will undertake a financial risk assessment of each of the Group of Economic Operators (Consortium) detailed in Attachment 5 - (Group of Economic Operators (Consortium)). If any member of a group has a level of financial risk which does not meet the financial threshold score of 45, and you cannot provide a guarantor whose level of financial risk is acceptable, your consortium registration may be excluded as an interim measure until your consortium group is able to meet the financial threshold for this DPS.

Agency conduct and conflicts of interest

96. You must not attempt to influence the Request to Participate process. For example, you must not directly or indirectly at any time:
- Collude with others over the content and submission of registration application. However, you may work in good faith with a proposed Agency, Group of Economic Operators (Consortium) member or provider of finance in the event that a guarantor is required.
 - Canvass our staff or advisors in relation to this competition.
 - Attempt to obtain information from any of our staff or advisors about another Agency or registration application.
97. You must ensure that no conflicts of interest exist between you and us. If you do not tell us about a known conflict, we may exclude you from the competition. We may also exclude you if a conflict cannot be dealt with in any other way.

Confidentiality and Freedom of Information

98. You must keep the contents of this bid pack confidential (including the fact that you have received it). This obligation shall not apply insofar as: ● enabling you to submit a registration application; or ● compliance with a legal obligation.

Publicity

99. You must not publicise the Services or the award of any individual contract unless we have given express written consent. For example, you are not allowed to make statements to the media regarding any registration application or its contents.

Our rights:

100. We reserve the right to:
- Waive or change the requirements of this bid pack from time to time without notice.
 - Verify information, seek clarification or require evidence or further information in respect of your registration application.
 - Exclude you if:
 - you submit a non-compliant registration application;
 - your registration application contains false or misleading information;
 - you fail to tell us of any change in the contracting arrangements between your request to participate and appointment onto the DPS. Or, if you do tell us, allowing the change in the contracting arrangements would result in a breach of law;
 - for any other reason set out elsewhere in this bid pack;
 - for any reason set out in the Public Contract Regulations 2015.
 - Terminate the DPS Appointment Form at any time.
 - Make any changes to the timetable, structure or content of the competition.

General:

101. We will not pay your request to participate costs for any reason e.g. if we terminate or amend the competition.

Warnings and disclaimers

102. We will not be liable:
- where parts of the bid pack are not accurate, adequate or complete; or

- for any written or verbal communications.
103. You must carry out your own due diligence and rely on your own enquiries.
104. This bid pack is not a commitment by us to enter into a contract.

Intellectual Property Rights

105. The bid pack remains our property. You must use the bid pack only for this registration application.
106. You allow us to copy, amend and reproduce your request to participate so we can:

107. Our advisors, Subcontractors and other government bodies can use your request to participate for the same purposes.

Agency Notifications to CCS

108. In the event your organisation would like to be removed from the Communications Marketplace DPS please contact CCS via info@crowncommercial.gov.uk to confirm.

NB – Agencies should note that if you have been awarded a contract derived from the Communications Marketplace DPS your contractual obligations in accordance with the DPS Appointment Form and Contract Terms, which form part of the Bid Pack, will remain in place as applicable.

TUPE Transfer of Undertakings (Protection of Employment):

109. We consider that the Transfer of Undertakings (Protection of Employment) Regulations 2006 (“TUPE”) may apply at the Competition Procedure.
110. It is your responsibility to take your own advice and consider whether TUPE is likely to apply in the particular circumstances of the contract and to act accordingly, you are therefore encouraged to carry out your own due diligence exercise.

Competition Procedure:

111. Clients may award contracts by inviting all Agencies to the relevant category to bid in accordance with regulation 54, with the minimum timescale for return of tenders being ten (10) days. They will do this in line with the Communications Marketplace DPS Schedule 7 (Order Procedure).

Third Party Agents/ Bid Writers:

112. The DPS Appointment Form is required to be electronically signed and managed by you (the Agency). Therefore, you may use the services of a third party/bid writer to prepare your registration application but, it is you (the Agency) who must submit the registration application yourself because by

ticking the statement “you (the Agency) are confirming that you (the Agency) comply with the following agreements and documentation, which you (the Agency) should download and retain”. you (the Agency) are entering into a legally binding contract with CCS.
