## **Welcome**

We invite you to join the Low Value Purchase System (LVPS) to provide public sector buyers with a new route to market for their below threshold non-medical common goods and services.

### **What is the Low Value Purchase System?**

The Low Value Purchase System is a system established by Crown Commercial Service (CCS) under Part 4 of the Public Contracts Regulations 2015 for bidders who are able to provide non-medical goods and or services where the value of the contract is below the relevant thresholds for Part 2 of the Public Contracts Regulations 2015 to apply.

CCS has set up its Low Value Purchase System to allow public sector buyers to procure their below threshold non-medical common goods and or services. A buyer could use the Low Value Purchase System to award a contract as an alternative to advertising its requirement on Contracts Finder.

The three filters used as part of supplier registration and by the buyer when looking to purchase through LVPS are:

- the service heading for the non-medical goods and or services;
- the Postcode Radius within which bidders are able to supply non-medical goods and or services;

For each service heading you select you will be requested to provide a brief description of your service offering, and related pricing information.

As your description should be no more than 400 characters in length (including spaces) you will need to think carefully about what you say here.

You will not have space to talk in detail about pricing, you may therefore want to provide an indication as to your pricing model, for example price per unit, price on application, free, time and materials, etc. Remember you will have the opportunity to

provide the buyer with detailed pricing information specific to their requirement at the point of them calling off the LVPS.

You must not include any website links or any reference to your current clients. If these are included in your description you will be notified to amend your service heading accordingly.

Suppliers should be aware that recruitment across the education and healthcare sector including both clinical and non-clinical recruitment is excluded from the Low Value Purchase System.

### **LVPS Access Pack**

The LVPS Access Pack includes the following documents:

#### **Supplier Access Information:**

- what 'we' and 'you' means
- who can request to participate
- how to request to participate
- what is an LVPS Appointment Form
- timelines for the request to participate
- the rules, obligations and rights between you and us;
- the LVPS Appointment Form sign-off process;
- competition overview;

**CCS - Supplier Contract** – This is the Contract between you and us.

**Attachment 1** – Management Information (MI) and Reporting Template

**Attachment 2** - Suitability Assessment Questionnaire – A PDF copy of the Suitability Assessment Questionnaire is provided for information only so that bidders can view the questions in advance of completing the online Suitability Assessment Questionnaire.

**Attachment 3 - LVPS CAA, privacy notice and terms of use** – This document sets out the terms of use that you must agree to use the LVPS.

**Attachment 4 - Appointment Form** – This is the contractual agreement between you and us. You will need to agree to electronically sign up to these T&C's which are non-negotiable.

Make sure you read all the guidance, information and instructions that we provide – they are there to help you to complete your request to participate.

We hope everything is clear – if it is not, we explain in the 'how to request to participate' section, when and how you can ask questions.

## What 'we' and 'you' means

When we use "CCS", "we", "us" or "our" we mean Crown Commercial Service.

When we use "you", "your" "suppliers" or "bidders" we mean your organisation, or the organisation you represent, in this competition.

We are the central purchasing body that procures non-medical common goods and services for Buyers including central government departments and the wider public sector.

The Public Contracts Regulations 2015 regulate how we procure. This means that we and you have to follow processes that are fair, transparent and equitable for all bidders.

## Who can request to participate?

We are running this competition under Part 4 of the Public Contracts Regulations 2015 for bidders who are able to provide non-medical goods and or services where the value of the contract is below the relevant thresholds for Part 2 of the Public Contracts Regulations 2015 to apply.

This means that anyone can submit a request to participate (submit a bid) to join the LVPS.

## Getting started - How to register on the Supplier Registration Service (SRS)?

All suppliers are required to register on the SRS system prior to submitting a 'Request to Participate' (in accordance with the section below 'How to Request to Participate').

To register for the SRS system please follow the instructions below:

- 'register for an account' at the following link  
<https://supplierregistration.cabinetoffice.gov.uk/organisation/register>
- Step 1 - Select 'Supplier'
- Step 2 – **Click on the DUNS number radio button** (this ensures the correct DUNS number is utilised for your organisation) and complete the required information.

If you are already registered to SRS please 'sign in' to your account via the attached link <https://supplierregistration.cabinetoffice.gov.uk/login>.

**Please ensure the DUNS number associated with your registration details is the DUNS number you will be using in your Suitability Assessment Questionnaire for RM6237.**

In the event that your DUNS number does not reflect the DUNS number you wish to use for your RM6237 submission please contact Dun and Bradstreet (D&B) at the following link <https://www.dnb.co.uk/> to make the necessary amendments to your Dun and Bradstreet registration before proceeding with your Suitability Assessment Questionnaire submission for RM6237.

**NB – When registering at D&B please ensure you include any Trading Names you wish to use for the LVPS Appointment Form, as the name you input as part of your D&B registration process will be the name generated when registering**

**on the Supplier Registration Service when using your D&B number (as per Step 2 above)**

## **Scope Exceptions**

Recruitment in the health and education sector is specifically excluded from the LVPS to ensure that this is undertaken in line with government guidance.

Education and healthcare sector recruitment both clinical and non-clinical is supported by a number of alternative CCS (and NHS Workforce Alliance) frameworks which have received Department for Education and NHS England and Improvement approval status.

The frameworks can be accessed directly from the CCS website [www.crowncommercial.gov.uk/agreements](http://www.crowncommercial.gov.uk/agreements) or alternatively you are able to contact a member of the workforce team using [info@crowncommercial.gov.uk](mailto:info@crowncommercial.gov.uk).

## **How to Request to Participate?**

1. **Your request to participate must be entered via the Supplier Registration Service (SRS) at:**  
<https://supplierregistration.cabinetoffice.gov.uk/dps>. We can only accept requests to participate through this route.
2. You must submit your response in English and through the SRS platform only.
3. Your request to participate must be completed by the organisation that will be responsible for providing the non-medical goods and or services, if appointed on to the LVPS.
4. Any supporting evidence will be requested via:  
[info@crowncommercial.gov.uk](mailto:info@crowncommercial.gov.uk).
5. Make sure you answer every applicable question within the Suitability Assessment Questionnaire.
6. Only select the Service Headings in the Suitability Assessment Questionnaire that can be delivered by your organisation.

### **Suitability process:**

In order to award a contract to your organisation under the Low Value Purchase System, the buyer will need to assess your organisation's suitability, capability, legal status and financial standing.

The Suitability Assessment Questionnaire aims to make the procurement process more efficient for you and for the buyer by dividing the process of a buyer gathering the necessary information for the assessment of minimum standards into two parts:

1. These suitability assessment questions ask for basic information about your legal status and the non-medical goods and or services you are able to

supply that any public sector buyer would require before purchasing those non-medical goods and or services. That means that you should only need to answer these questions once and buyers can get that information in one place. It also asks for a criminal records declaration which buyers may wish to be repeated at the time you enter into a contract with them.

2. These suitability assessment questions do not request information on your capability to provide the non-medical goods and or services, your financial standing or the details and suitability of any subcontractors which you intend to use to provide the non-medical goods and or services. These elements of your suitability, and that of any subcontractors, will be checked by buyers when deciding whether to award a contract to you.

Only the buyer can determine its minimum standards of suitability and capability by reference to the subject-matter of the contract in question.

If your answers show that your organisation meets the minimum standards for legal status CCS will admit your organisation to the Low Value Purchase System and make your non-medical goods and or services available to public sector buyers through the Low Value Purchase System. Each buyer accessing the Low Value Purchase System will then consider the suitability of your non-medical goods and or services, the capability of your organisation and the financial standing of your organisation against its particular requirement.

## Instructions

You must answer all of the questions in full and in the format required. The Suitability Assessment Questionnaire requires you to provide:

- details about the legal status of your organisation;
- a criminal records declaration;
- details of your non-medical goods and or services;
- a declaration concerning the accuracy of the information provided by you in your response to the suitability assessment questions.

Companies are required to keep a register of individuals or legal entities that have control over them. You are required to provide the details of Persons of Significant Control as part of your LVPS submission.

You can find out further information related to Persons of Significant Control here: [https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/753028/170623\\_NON-STAT\\_Guidance\\_for\\_PSCs\\_4MLD.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/753028/170623_NON-STAT_Guidance_for_PSCs_4MLD.pdf)

A buyer may ask you for means of proof as evidence of any of your answers to the suitability assessment questions.

If you seriously misrepresent any factual information in answering the suitability assessment questions, and so induce an authority to enter into a contract, there may be significant consequences.

If a buyer discovers that you have seriously misrepresented any factual information before entering into a contract, the buyer may decide not to enter into a contract with you.

If a contract has been entered into you may be sued for damages and the contract may be rescinded.

If fraud, or fraudulent intent, can be proved, you or your responsible officers may be prosecuted and convicted of the offence of fraud by false representation, and you must be excluded from further procurements for five years.

In addition, CCS and or a buyer may carry out a criminal record check for relevant convictions for your organisation and the persons with significant control of your organisation.

If you are not able to make both the criminal records declaration and the questionnaire declaration, CCS will not make your non-medical goods and or services available through the Low Value Purchase System.

**Please note – you CANNOT amend your responses to Questions 1-29 in the Suitability Assessment Questionnaire. You CAN update your responses regarding the Services you can offer (service heading; Postcode Radius; SME / VCSE status)**

7. We may seek clarification of any information you provide to validate and verify your responses. Don't forget to check for messages regularly at frequent intervals in your internal mailbox system (this will be the email address you input into Q3 of the Suitability Assessment Questionnaire) throughout the competition.
8. If we are satisfied with the response you have provided to the compliance issues we have raised, you will be appointed to the LVPS. Following which, we will amend your LVPS submission from 'Assessing' to 'Agreeing' status.
9. Once we complete the Assessing process, you will be contacted to say that your submission has entered an 'Agreeing' stage – this means you will need to re-enter the submission on SRS and agree to the LVPS Appointment Form electronically – once you have completed this your status will show as 'Appointed'.

#### **Assessing Process:**

10. All submitted requests to participate will automatically enter the 'Assessing' stage. Following which we will complete further compliance checks of your Suitability Assessment Questionnaire to ensure you have provided everything that we have requested as part of the suitability assessment.

## What is a Low Value Purchase System (LVPS) Appointment Form?

39. An LVPS Appointment Form sets out terms and conditions for you satisfying the suitability criteria and therefore accepted onto the LVPS and for Buyers when awarding contracts (Competition Procedure) throughout the entire duration of the LVPS.
40. If you are a successful bidder, the LVPS Appointment Form will be signed up to electronically and managed by you and us. Buyers can then use the LVPS to publish competitions to meet their individual service requirements. Each Competition Procedure contract will be signed and managed by the buyer and you. There may be multiple contract agreements under one (1) LVPS Appointment Form.
41. There are general terms and conditions for the LVPS Appointment Form. LVPS sets out the general terms and conditions for the Competition Procedure. You can see the contract terms as part of the Access Pack for this procurement.

## Timelines for the request to participate

42. These are our intended timelines. We will try to achieve these but, for a range of reasons, dates can change as the competition progresses. We will tell you if and when timelines change:

Start Date - Open LVPS to bidders to request to participate	17/03/2021
LVPS Open to buyers Competition Procedure	31/03/2021

## When and how to ask questions?

43. If you have any questions you can ask them at any point. This will give you

the chance to check that you understand everything before you submit your request to participate via the link detailed above.

44. You need to send your questions through the DPS Marketplace clarification link. Try to ensure your question(s) is specific and clear. Do not include your identity in the question. This is because we publish all the questions and our responses, on the Supplier Registration System.
45. The DPS Marketplace clarification facility captures responses to all questions in relation to this LVPS. Please note it is your responsibility to monitor responses to clarification questions therefore please ensure that you access and review the LVPS clarification link on a regular basis. This will ensure you have sight of all relevant information.
46. If you feel that a particular question should not be published, you must tell us why when you ask the question. We will decide whether or not to publish the question and response or return a response to you confidentially via the SRS.
47. Remember that you can ask us questions about the LVPS Appointment Form and contract terms but please do not try to 'negotiate' the terms as this is not permitted within the Public Contract Regulations (PCR). All LVPS appointments will be made under identical terms.

### **Third Party Agents/ Bid Writers:**

72. The LVPS Appointment Form is required to be electronically signed and managed by you (the Supplier). Therefore, you may use the services of a third party/bid writer to prepare your submission but, it is you (the Supplier) who must submit the tender submission yourself because by ticking the statement “you (the Supplier) are confirming that you (the Supplier) comply with the following agreements and documentation, which you (the Supplier) should download and retain”, you (the Supplier) are entering into a legally binding contract with CCS.
