## Welcome

Welcome to the Occupational Health and Related Services Dynamic Purchasing System (DPS) Registration questionnaire.

You will only have to complete this questionnaire once to register on the Occupational Health and Related Services (DPS). This questionnaire allows you to register your Occupational Health, Employee Assistance and Eyecare and Hearing Services with Crown Commercial Service (CCS).

As part of the registration process, you will be asked to provide information about the types of services you can provide. This information will allow buyers to invite you to bid for contracts that are suited to you directly, streamlining the contracting process. This questionnaire should be updated if your business changes its service offerings to ensure all opportunities offered are valid.

### Public and Private Sector Contracts

A reporting period is a period of six calendar months as set out in the BEIS Guidance to Reporting Payment Practices and Performance under the Reporting on Payment Practices and Performance Regulations 2007:

<https://www.gov.uk/government/publications/business-payment-practices-and-performance-reporting-requirements>.

In a financial year there are normally two reporting periods. The first is the six calendar months starting on the first day of the business' financial year. So, if a financial year started on the 5th of a month, the last day of that reporting period would be the 4th of the month, six months later. The second reporting period starts on the day after the first period ends and runs until the end of the financial year.

Please provide the percentage of invoices paid by you to those in your immediate supply chain on all contracts for the most recent six month reporting period. This should include the percentage of invoices paid within each of the following categories (this should include all situations where payments are due; not all payments involve an invoice):

**3.18.4.** within 30 days

**3.18.5.** between 31 and 60 days

**3.18.6.** in 61 days or more

**3.18.7.** due but not paid by the last date for payment under agreed contractual terms

**3.18.8.** Please provide the average number of days taken by you to pay an invoice to those in your immediate supply chain on all contracts for the most recent six month reporting period. This should include the percentage of invoices paid within each of the following categories (this should include all situations where payments are due; not all payments involve an invoice).

**3.18.10.** between 31 and 60 days
